

Frans Bauhaus, Denmark, 1990

26 min. | DK/Short fiction

Herluf is mad about football. He thinks himself that he should be center-forward of the A-team, but he has to be content with being a linesman when the best boys play. One day Herluf's football mates send him to a football match which is not going to take place - to teach him a lesson. However, Herluf »goes through with« the match and returns to the others: »We won 7 - 1, and I scored 5 times!«
