

Lasse Spang Olsen, Denmark, 2001

95 min. | DK/Feature | Children's films

Black Bill has stolen the future of the earth. The most dangerous pirate in the world, Jolly Roger, is the only person who can save the world and the future, but the problem is he can only think about rum and piracy. It is the fate of six-year-old Lula to convince Jolly Roger that her tears are genuine, that Jolly Roger is her great great grandfather, and that the future is worth saving.
