

Kim Toftum, Denmark, 1989
75 min. | DK/Feature

13 year old Robert has fallen in love with Eva, with whom he has been communicating via his computer. He goes to visit her, but something is wrong, either she doesn't exist, or she is being held captive. Sasja, a girl from his class, is initiated in the mystery, and together with her friends they try to expose an international data-gang specializing in financial crime.
